SOUTHAMPTON.

1925.

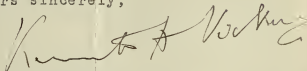

Dear Farrell,

Thanks for your letter with regard  
to Room 1.

I quite see how the mistake arose,  
but all that I should ask your Council to  
do is to impress on the students the necessity  
for doing things in proper form. As a matter  
of fact, of course, Taylor ought never to have  
allowed any dancing in that room without evidence  
that permission had been given, and so there is  
a fault on that side as well.

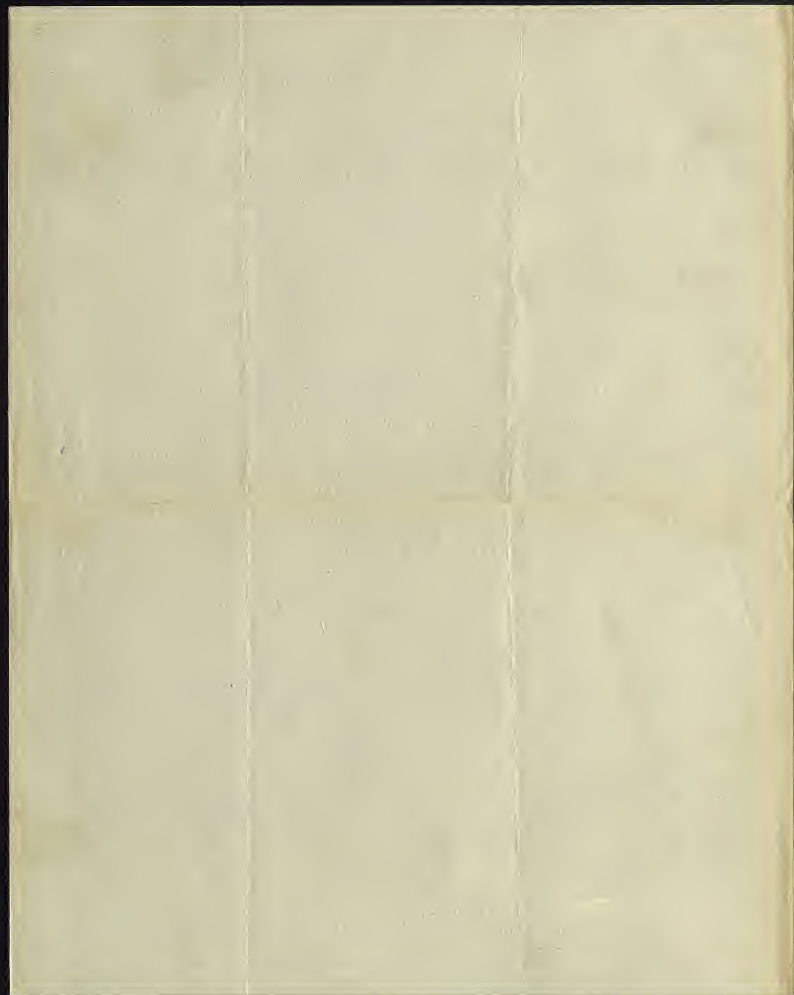

All I would ask you to do is to try and  
carry on the good work of getting the students  
to observe all rules and regulations and methods  
of procedure with exactness.

Yours sincerely,

Principal.

he would, in future, only be at College on  
two afternoons a week he felt bound to  
tender his resignation from the position of  
Secretary to the Council. He added that  
it was of course for the Council to decide  
whether he could adequately fulfil the  
duties of Secretary to the Council with  
only two days attendance a week at College,  
& that in the event of a new Secretary being  
elected he would be very glad to  
give him the benefit of any experience

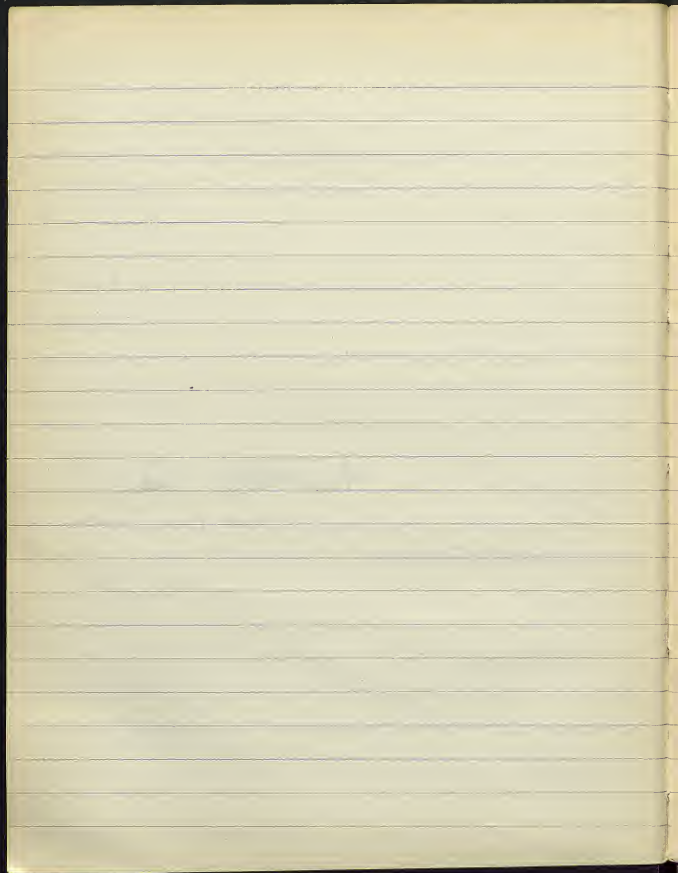

he had gained during his short term of office.  
Mr Page suggested that Mr Fuller be asked to  
retire while the Council discussed the matter.  
This was done.

After a long discussion Mr Page proposed  
that the Council express their sincere gratitude  
to Mr Fuller for the work which he had  
done both then & in the past, and accept  
with regret his resignation - which resignation  
they felt obliged to accept in view of the fact that  
they felt it imperative that the Secretary  
to the Council should be at College every  
day of the week. Mr Page further proposed  
that a letter of thanks be sent to Mr Fuller  
from the Students' Council. The motion  
which was seconded by Mr Burt was  
carried unanimously.

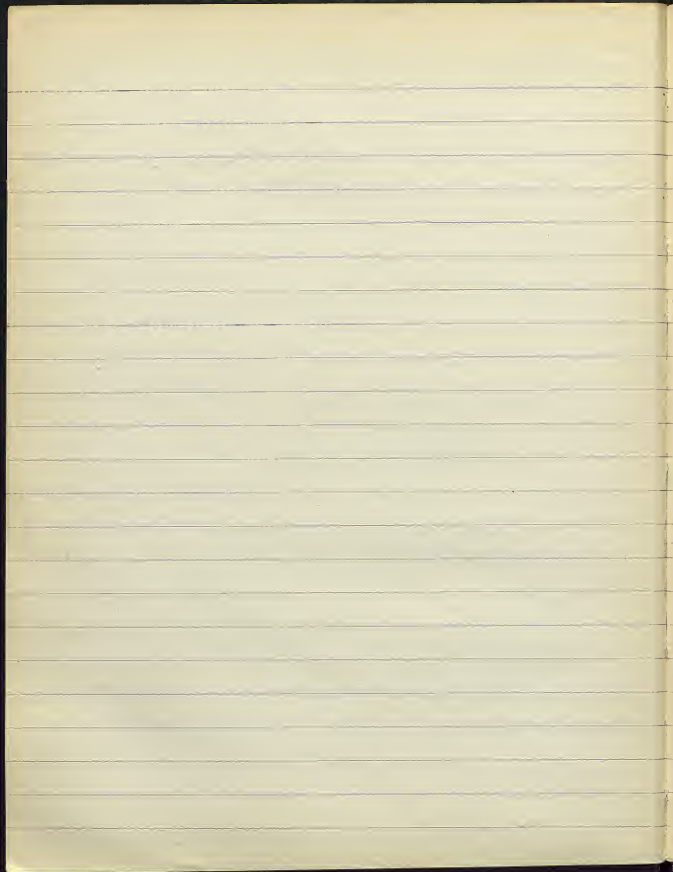

Mr Page then proposed that his Kibby  
be appointed to the Council & be asked to act  
as Secretary to the Council. The motion was  
seconded by Mr Bearell & carried  
unanimously.

Mr Fuller was then asked to resign

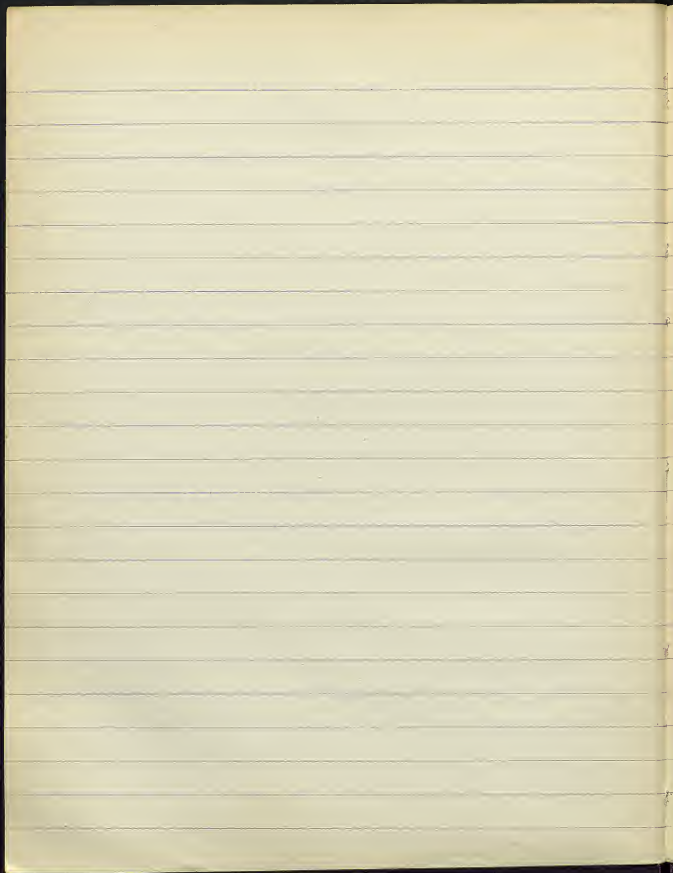

the meeting - Mr. Poor then said with  
what regret the Council accepted Mr.  
Fuller's resignation, which resignation, he  
said, they felt bound to accept in view of  
the fact that they felt it imperative  
that the Secretary should be at College  
every day since both he & the Vice President  
Mr. Page were obliged to be absent from  
College during two days of the week. He  
added that Mr. Fuller would of course  
remain on the Council as the Science faculty  
member & that the Council hoped for his  
continued support & co-operation in the  
future.

A portion of the Report of the recent  
N. U. S. Conference in London was then  
read by the President who informed the  
meeting that the N. U. S. was faced with  
a serious deficit & proposed that the  
College subscription be sent to the N. U. S.  
as soon as possible. This was seconded  
by Mr. Page & carried unanimously.  
Mr. Page then proposed that the

same subscription as last year be sent to the N. U. S. The motion which was seconded by Miss Burt was carried unanimously. Miss Shaw then proposed that the Report of the N. U. S. conference be placed where it would be available for all students to read. This was seconded by Miss Page & carried unanimously. Miss Page further suggested that Miss Poore should address the students on the business discussed at the recent N. U. S. conference. The question of the Scout Club was then discussed. The Council was informed that the Scout Club desired to know if it was entitled to a grant or not. The Club which nominally is open to all students, was felt to be representative of the college as no women were under its jurisdiction. Miss Page proposed & Miss Shaw seconded that the Secretary be instructed to write to the Secretary of the Scout Club pointing out the state of affairs.

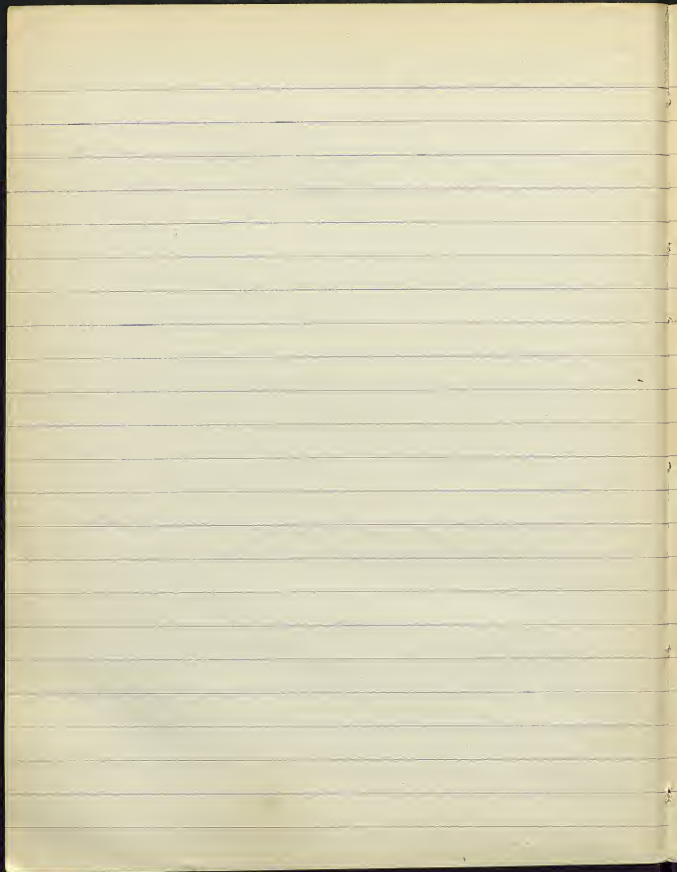

The question of the Nov. 5<sup>th</sup> Rag was next discussed. Mr. Page proposed that a grant of \$2.00 given for expense in connection with the Nov. 5<sup>th</sup> Rag but that in future a special meeting of the Student's Council be called to discuss the matter of granting any money for any purpose whatsoever. The motion which was seconded by Mr. Heasell was carried unanimously.

Mr. Daniel proposed that a letter be provided for the most 'Phrean' out of College funds & that Mr. Keddle be asked to give a quotation for same. He was seconded by Mr. Fulton & the motion was carried unanimously.

Mr. Heasell then proposed that a notice board be provided for Russell House notices in the main corridor. The motion was seconded by Mr. Fulton & carried unanimously.

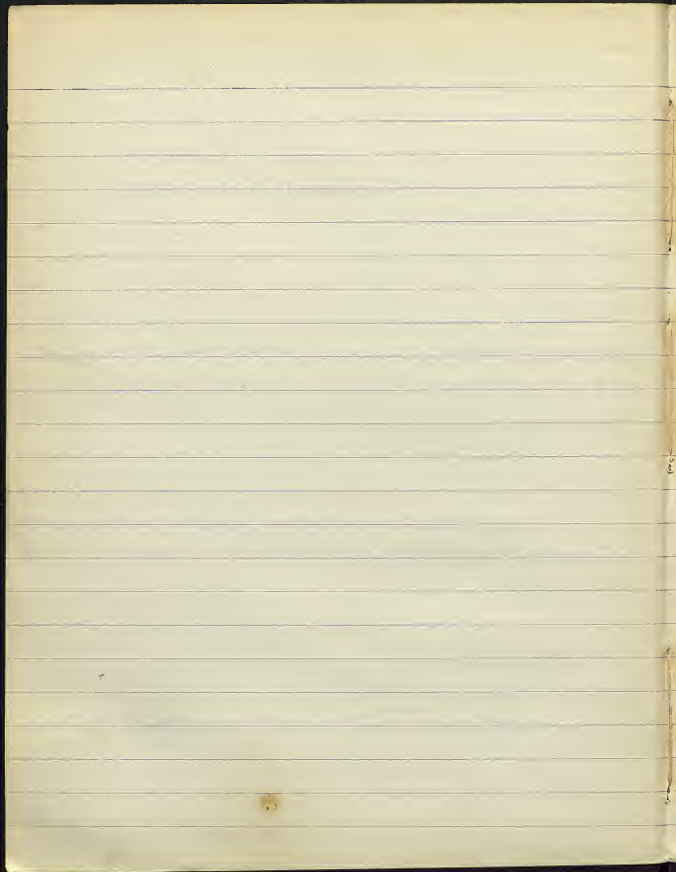

Mr. Page then suggested that the Council should ask Mr. Fulton if he would be good enough to carry

out the duties of Secretary to the Council until the election of Miss Kirby should have taken place. This was done.

The fact that the Gramophone Club had changed the day on which their meets are held from Friday to Monday was then ratified by the Council.

Miss Page then proposed that a meeting of the a meeting of the Hall Committee should take place at 1.30 p.m. on Monday Oct. 31<sup>st</sup>. This was seconded by Mr. Povey & carried unanimously. With that the meeting closed.

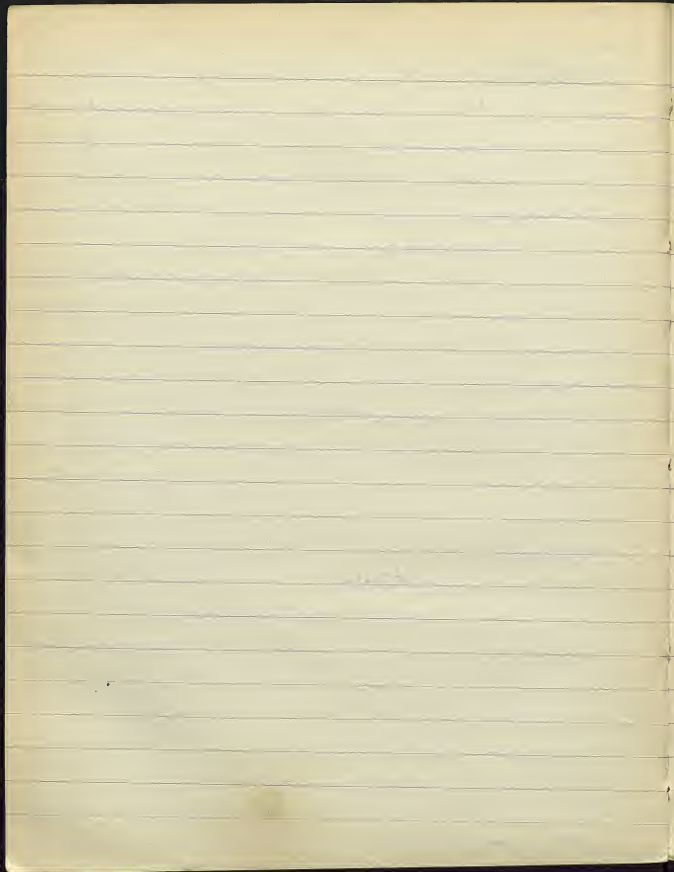

Ordinary meeting of the Students' Council held Sat. Nov. 5<sup>th</sup> 1927. Those present were Miss Page - But - Kirby - Madge & Marion Poore - Hendell - Stone - Bishop & Hodgson (Miss Union Treasurer). The President of the Union presided.

A suggested Constitution of the Athletic Union & the Athletic Committee was read by the President, & a copy of the estimated Revenue & Expenditure of the Athletic Union & Athletic Committee in the event of the Sports ground being handed over to the P. U. & Athletic Committee was then read by the President.

It was proposed that the President, Secretary & Treasurer of the Athletic Union should be invited to be present at the next meeting of the Students' Council when the proposed Constitution would be discussed in detail (Proposed by Mr Poore seconded by Miss Kirby - carried unanimously)

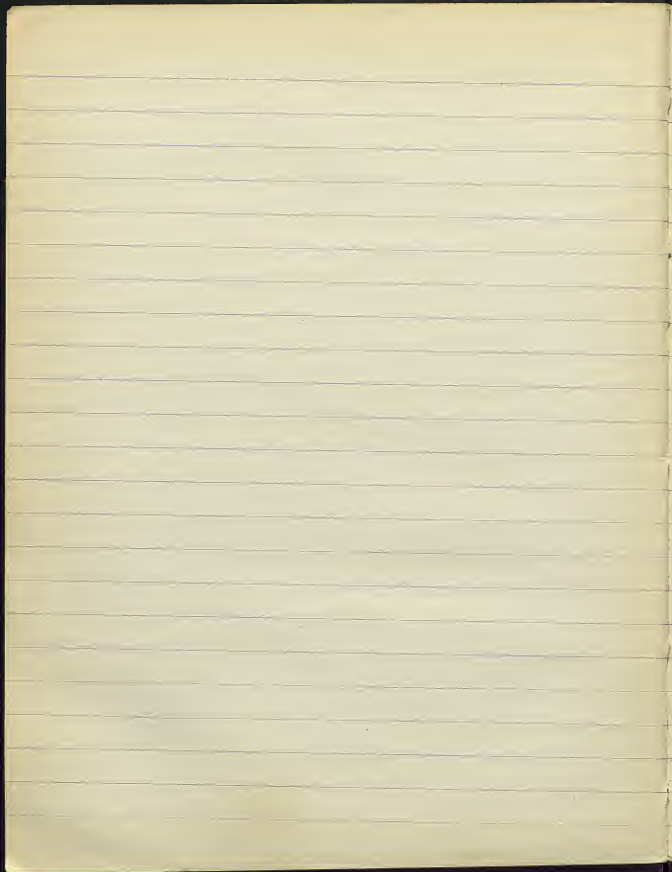

It was suggested & adopted that copies of the proposed Constitution should be

circulated among members of the Students  
Council & <sup>three</sup> of the Athletic Union Committee  
who would be present at the next meeting of the  
Students' Council. It was proposed that  
this meeting should take place on Sat. Nov. 12<sup>th</sup>  
at 10.0 a.m. & that a further meeting of the  
Students' Council with the Principal  
should take place on Monday Nov. 14<sup>th</sup>.

The Treasurer of the Union Mrs Hodgson then  
informed the Council that the College  
Union accounts for the preceding session  
had been drawn up & certified by the Auditor  
as correct. The aforesaid budget was then  
read by the President.

The Treasurer then informed the Council  
that owing to a mistake £26 due to the  
paid into the College Union account had  
been paid into the Pay account so that  
in addition to the £3 which the Students'  
Council had advanced to the Pay Committee  
the Pay Committee owed the College Union  
account a further £26 i.e. £29 in all.  
The budget was then circulated amongst the

members of the Council - Mrs Bishop moved the adoption of the budget & was seconded by Mrs Beaulieu - carried unanimously.

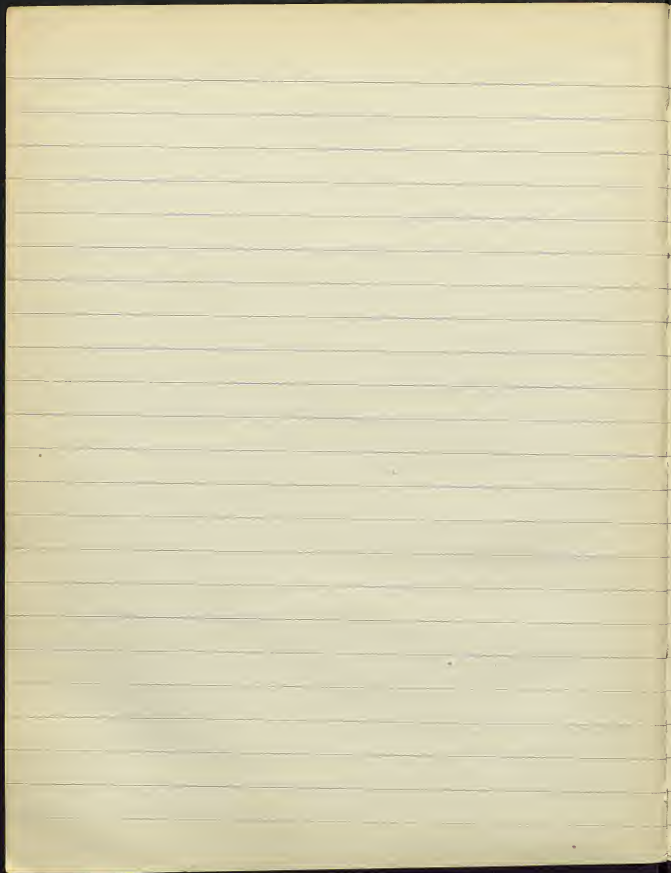

The proposed budget for the present session was then discussed by the Treasurer.

The income from Allego Union fees was estimated at £530 from which £160 would have to be withdrawn to defray Council & loan - N.U.S. subscription - Students' Council expenses & Hospitality expenses, thus leaving a total of £370 to be allocated.

Miss Page then moved the adoption of the budget - It was seconded by Miss Bull.

Bull & the adoption was carried unanimously with that the meeting closed.

Special meeting of the Student Council held Nov. 12<sup>th</sup>  
1927. Those present were James Page, Kink  
& Madge & Messrs Rowe - Hodgson, Dudley,  
Hessell, Shane, Daniel & Steadman.

The meeting was called to consider the  
suggested constitution of the Athletic Union  
& the Athletic Committee & the estimated  
revenue & expenditure of the Athletic Committee.  
The President of the College Union who was  
in the chair, read the rules of the suggested  
constitution of the Athletic Union & the  
Athletic Committee which rules were either  
passed or amended by the Committee as  
follows: -

Rule 1. Passed.

2. It was proposed by Mr. Daniel &  
seconded by Mr. Hessell that Rule 2 read thus:  
'A general meeting of the Athletic Union  
shall be held early in the Autumn term  
when the Balance Sheet of the preceding  
session shall be presented. The Club  
Secretaries shall as hitherto be elected by

ballot. The rest of the Committee for the ensuing session shall then be elected by a joint meeting of the outgoing A. U. Committee & of the newly elected officers of the A. U. Committee.

Carried unanimously. It was proposed & carried that Rule 3a, read: 'A Chairman, Vice Chairman & Senior Treasurers'.

Rule 3 a, b, c. passed

Rule 3(d) shall read thus: - 'The President & one other representative of the Students' Council to be elected by the Students' Council'.

It was further proposed & carried that a clause 3(e) be inserted which should read thus: 'Each officer of the Athletic Union shall have, *vite*.'

Rule 4 - passed.

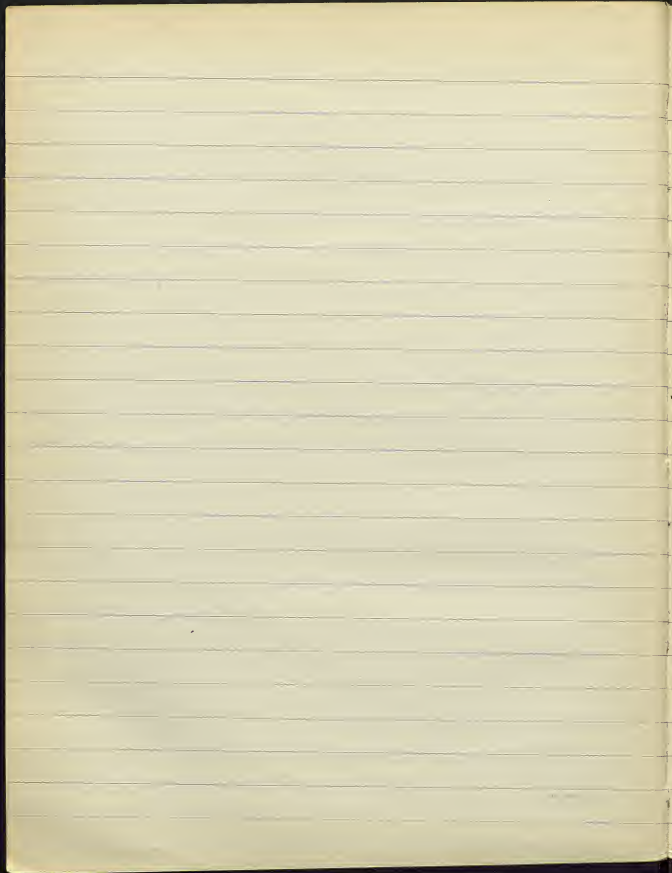

Rule 5 - Was accepted or amended by

Proposal No 2.

Rule 6 - Passed.

Rule 7. It was proposed & carried that Rule 7 read thus: 'The Committee shall have control of all appropriated income & expenditure etc.'

Rule 8. It was proposed & carried that Rule 8 read thus: 'The Committee shall

have power to suspend any member of the  
Athletic Union from the use of the Athletic  
Grounds, Pavilion & equipment.

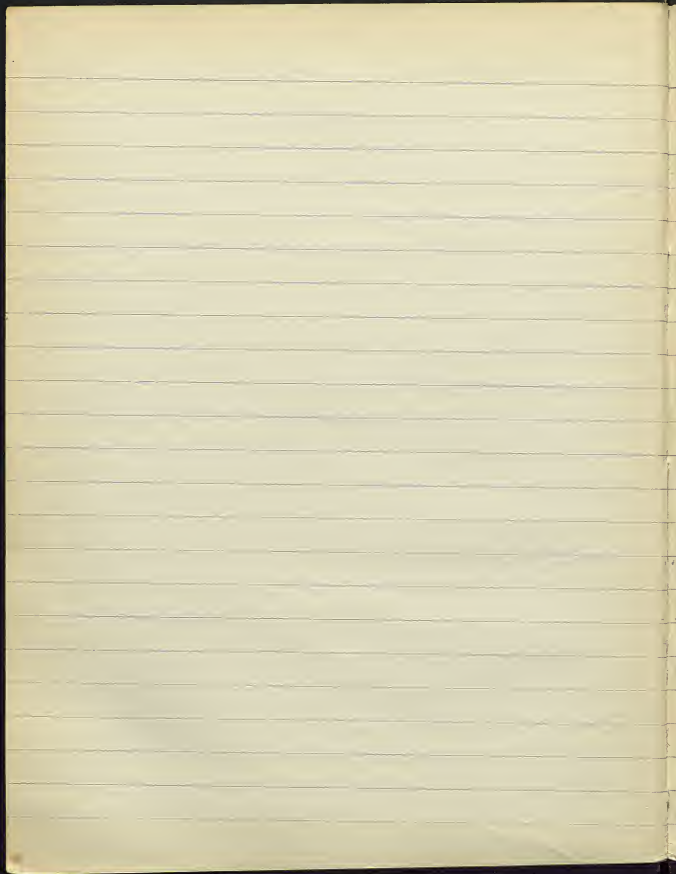

Rules 9, 10 & 11 were passed unanimously -  
The Estimated Revenue & Expenditure  
of the Athletic Committee was then discussed.  
Expenditure.

The suggested estimate of £135 for equipment  
furniture was felt to be too low & £180 was  
given as a suggested estimate.

The suggested estimate of £15 for entertaining  
previously borne by the Students' Council  
was felt to be too low & £25 was given as  
a suggested estimate.

It was generally felt that, in view  
of the alterations which it had been  
necessary to make in the suggested  
estimate, for equipment etc. & for entertaining,  
it would be necessary to ask the College  
to make an annual grant of £120  
to the Athletic Committee to enable it  
to meet its expenditure.

The assumptions 1, 2 & 3 on which

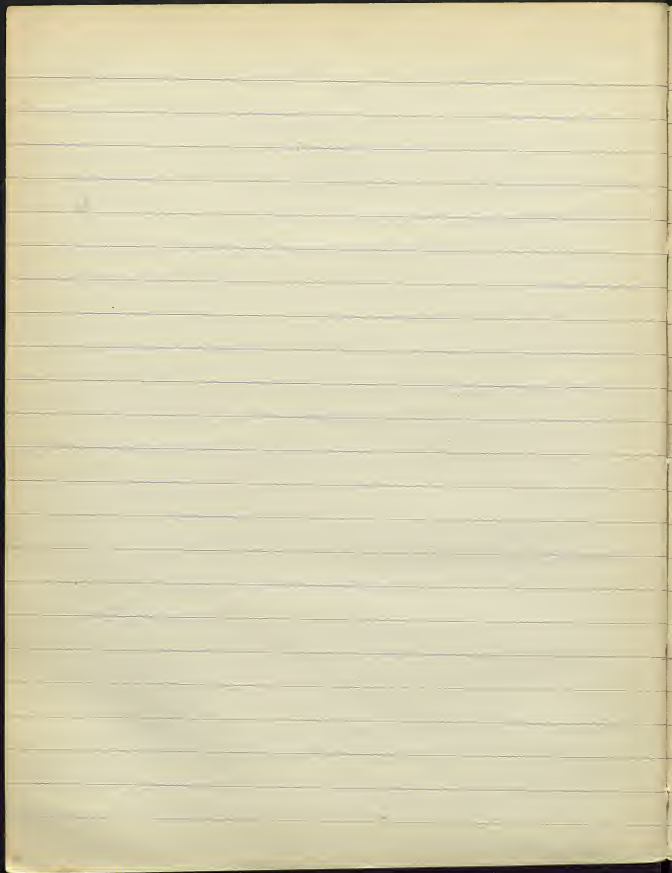

The suggested estimate of the expenditure & revenue of the Athletic Committee were  
laid were then read & accepted.

'Proposals' 1 & 2 were read & accepted  
Proposal 3 was amended thus: 'That the  
College make an Annual grant of £120  
to the Athletic Committee & enable it to  
meet its expenditure.'

With this the meeting closed.

.....

The Faculty member & that the envelopes containing the questionnaires should be sealed & a 1½d stamp affixed. The Secretary was instructed to purchase 150 cheap manilla envelopes to be used for this purpose.

The Principal accompanied by the President of the Union then came to address the meeting on the subject of the suggested constitution of the Athletic Union & Committee. The President read the amended Constitution & Statement of Estimated Revenue and Expenditure.

The Principal then asked the meeting if the Students were prepared to take on the responsibility incurred if the proposed Constitution was adopted. He added that he considered it desirable that the Students should conduct all business connected with the Athletic Union themselves.

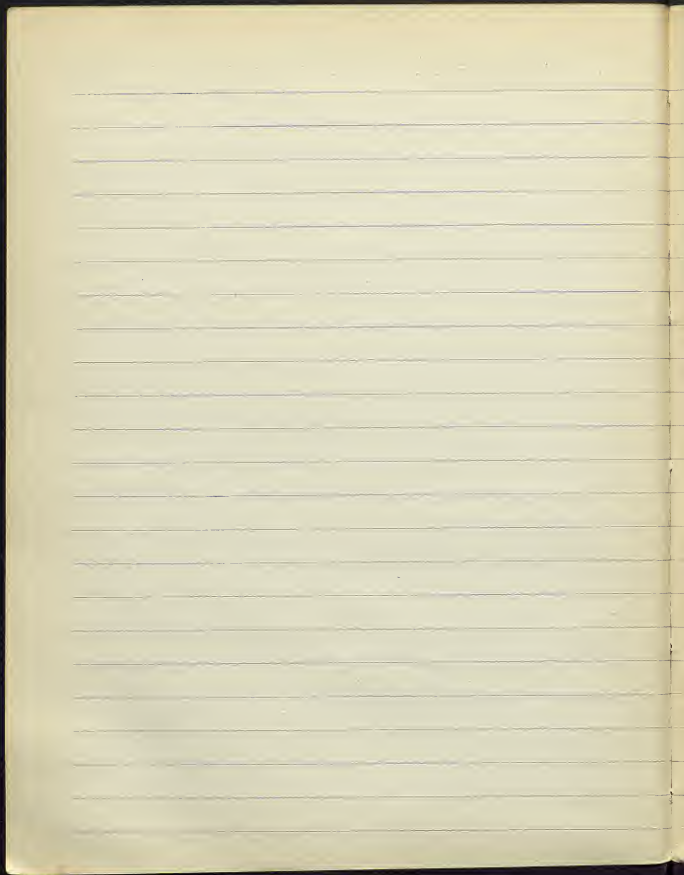

The Principal then informed the meeting that the College was prepared to spend £1200 - £1400 on

putting the grounds over before handing them over to the Students" & said that he would ask the College Council if the College grant to the A.S. Committee might be £100 a year in place of the proposed £80 a year.

The Principal suggested in addition that the students should agree to adopt the proposed constitution for 3 years.

The Principal then asked if he could inform the College Council that the students were keen to adopt the new scheme & asked how the Captains & Secretaries of the various Athletic Clubs regarded the matter. He was informed that the latter were anxious to adopt the scheme if it would work out satisfactorily financially. The Principal said that he considered that the £60 debt due this year on the tennis courts should be cancelled as well as that due next year. After a lengthy discussion the Principal said that he would suggest to the College Council

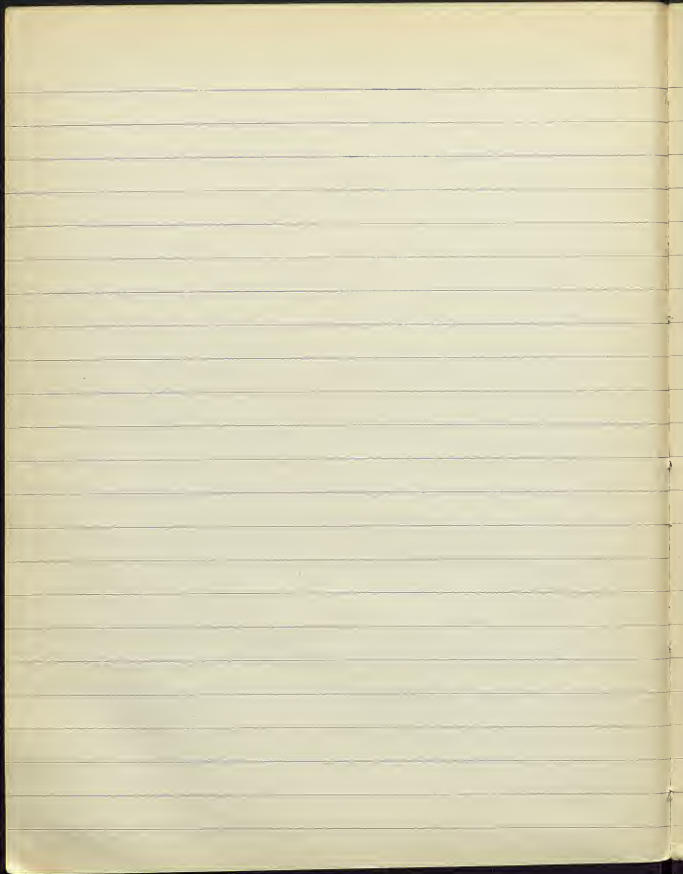

that the scheme be adopted for 3 years  
experimentally.

Mr Pove then said how much the Students'  
Council welcomed the opportunity of discussing  
this matter with the Principal.

The Principal then said that it had  
been brought to his notice by people inside  
& outside the College that the standard  
of manners of the students was not  
sufficiently high. He added that he  
was unpleased of the general demeanour  
of the College rather than of the manner  
of individual students. The Principal  
then asked for 'the help & co-operation of  
the Students' Council in establishing  
such a standard of manners in the College  
that it would be impossible for disorderly  
to take place.

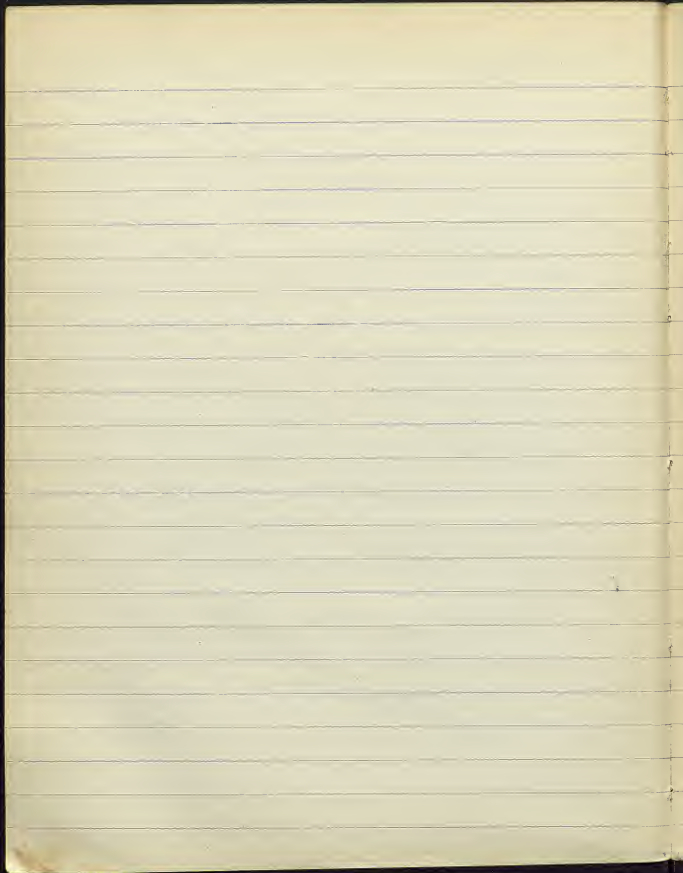

Mr Pove said that he appreciated the  
Principal's point of view but that the  
matter was a difficult one to deal  
with. The matter was discussed at  
some length and Mr Daniel suggested

that something might be done in the matter  
at the Faculty meetings which would be held  
at the end of the term. The Principal  
was further assured that the Students' Council  
would do all in its power to put the matter right.

After the Principal had left the meeting  
Mr. Fulton said that it had come to his  
notice that those responsible for the  
buying of the fireworks for the Nov. 5<sup>th</sup> Race  
had not patronized the Tradesman who  
was the habit of advertising in the  
College Magazine. Mr. Pomeroy said that  
he would speak to the Secretary of the  
C. C. about the matter. It was proposed  
by Mr. Pomeroy & seconded by Mr. Burt  
that all Secretaries purchasing goods  
in the term for College use be asked to  
patronize as far as possible the firm  
which advertises in the West-Saxon &  
that notice of this offer be placed on  
the Students' Council notice board.  
Carried.

The President then reads letter from

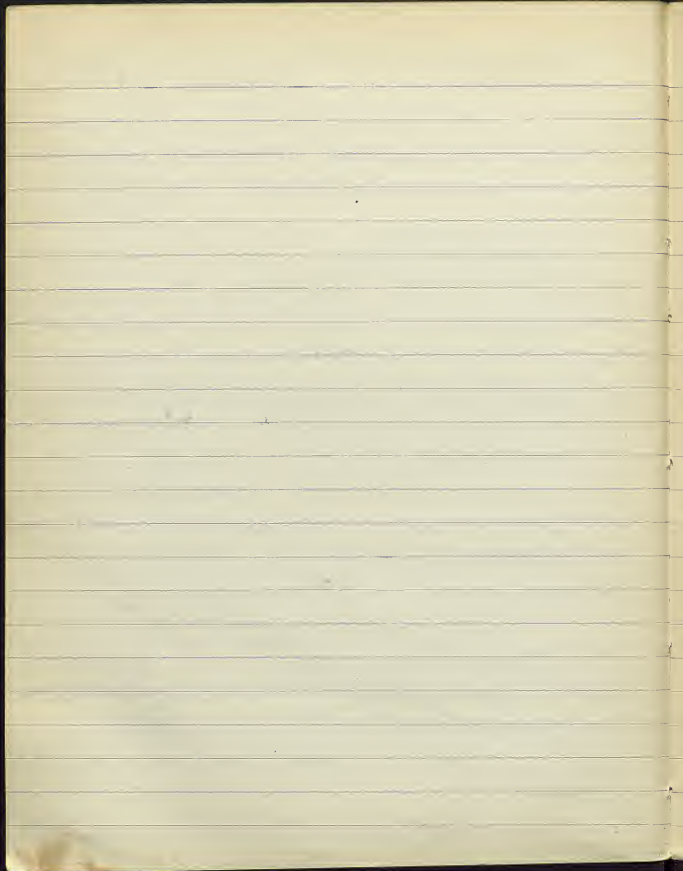

The Secretary of the Stage Soc. asking  
for permission for 'The Punante Ag'  
to be performed in the Hall on Dec 8<sup>th</sup> & for  
a charge of 6 d w & d per head to be  
made. Mr Povey added that the  
Principal had given permission for the  
performance to take place on Dec 8<sup>th</sup>.  
Mr Daniel proposed that permission  
to make a charge of admission be granted  
but that that charge should not  
exceed 4 d. a head. Mr Bishop seconded.  
Carried.

Mr But proposed & Mr Kelly seconded  
that a notice should be placed on the S. S.  
notice board reminding students that  
it is not usual for College boys to wear  
horns with gowns. Carried.

It was decided that a meeting of the  
Hall Committee should be held at 4 p.m.  
on Nov. 24<sup>th</sup>.

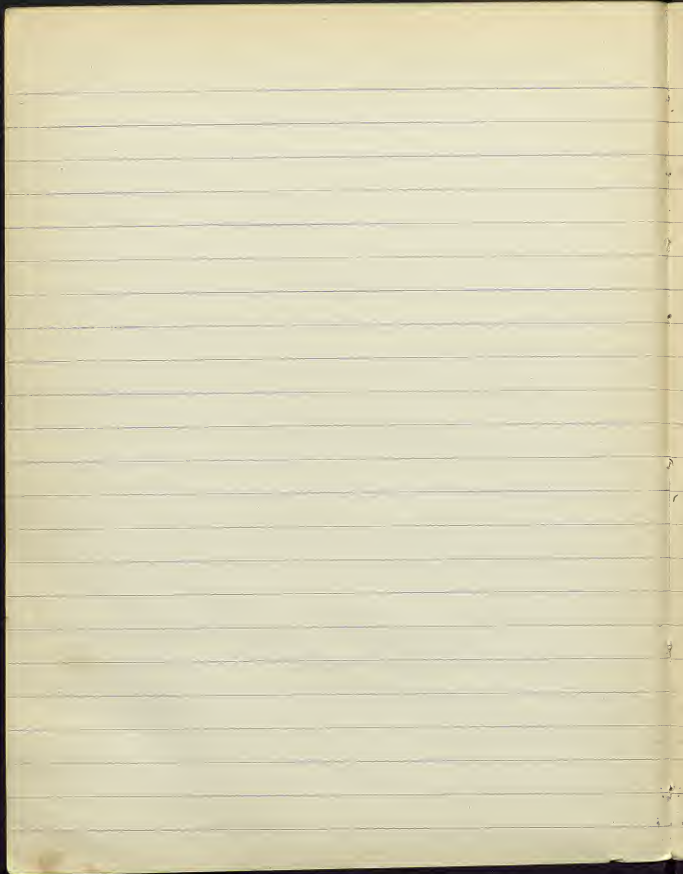

The question of the Memorandum of the  
Audit of the College <sup>Union</sup> Accounts was  
then brought up & it was suggested

that in addition to the £2.2s usually paid  
to Mr A.E. Grant for auditing the College Union  
accounts a further £1.1s be paid for collecting  
the College Union subscriptions & in addition  
that £1.1s be paid for auditing the Bazaar  
Committee accounts. It was unanimously  
agreed that a Honorarium of £6.6s in all  
should be paid to Mr A.E. Grant.  
With this the meeting closed.

Dec 5<sup>th</sup> / 27.

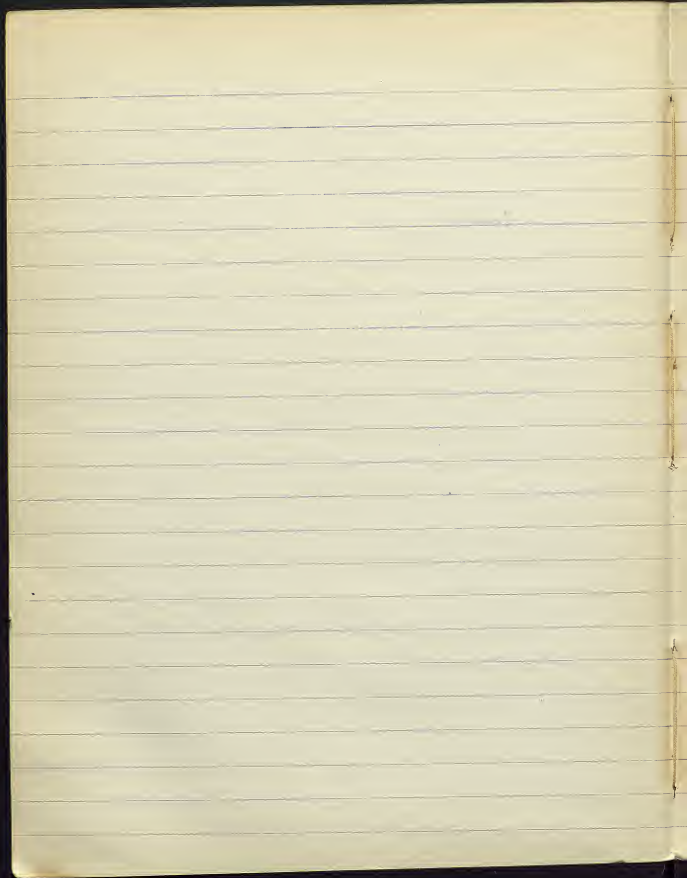

Emergency meeting of the Council held on  
Tuesday Nov. 22<sup>nd</sup> at which the Principal  
presided. Those present were Messrs.  
Page, Kirby - Fairbanks - Wheeler & Brady  
& Messrs. Poore, Daniel, Hearrell.

The meeting was called as the Principal  
wished to discuss with the Students' Council  
the question of the Annual Ullage Service.  
The Principal said that during last  
session he had received a letter from the  
Students' Council asking that the  
length of the procession might be  
curtailed on conscientious grounds.

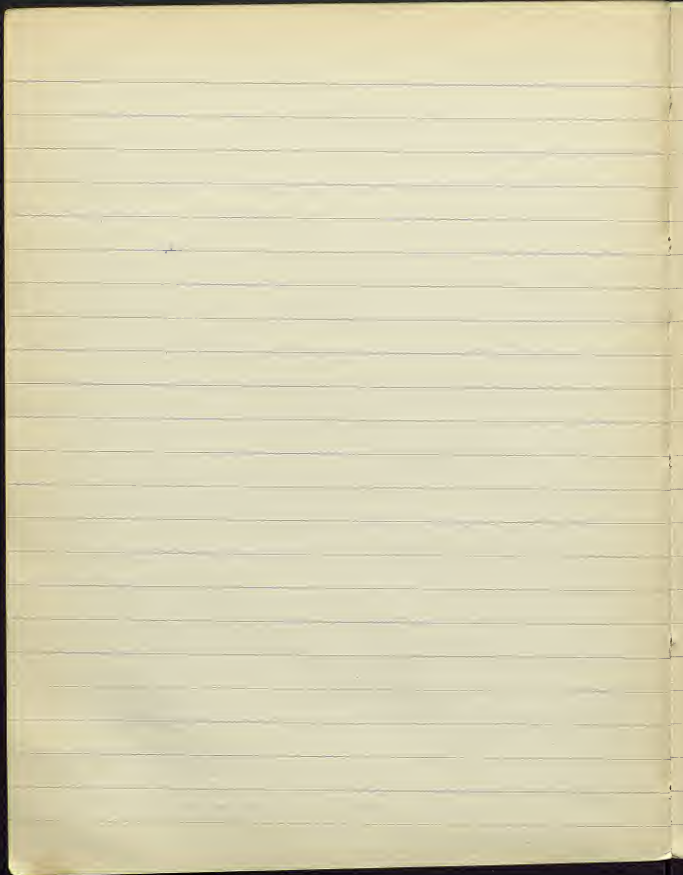

The Principal then said that the Ullage  
Council had shown themselves very  
sympathetic in the matter & had asked  
him to discuss the matter with the  
Students' Council.

After a lengthy discussion the Principal  
said that he agreed that the procession  
was too long & asked if it would be  
well supported by the students of the

length of the procession were curtailed. It was generally felt by the Students Council that the procession would be well supported if the length of the procession were curtailed. The Principal said that in view of that he would ask the College Council that the procession might start from the Chantry Hall & asked the Students' Council to endeavor to see that the Annual College Service was well supported in the future. With that the meeting closed.

Immediately after this meeting an ordinary meeting of the Students Council was held with the President in the chair. A letter was read from the Choral & Orchestral Society asking for permission for 'H. M. S. Pinafore' to be performed in the Hall on Thursday March 8th. & for the use of the Hall for rehearsals during every Tuesday evening of next term. It was decided that

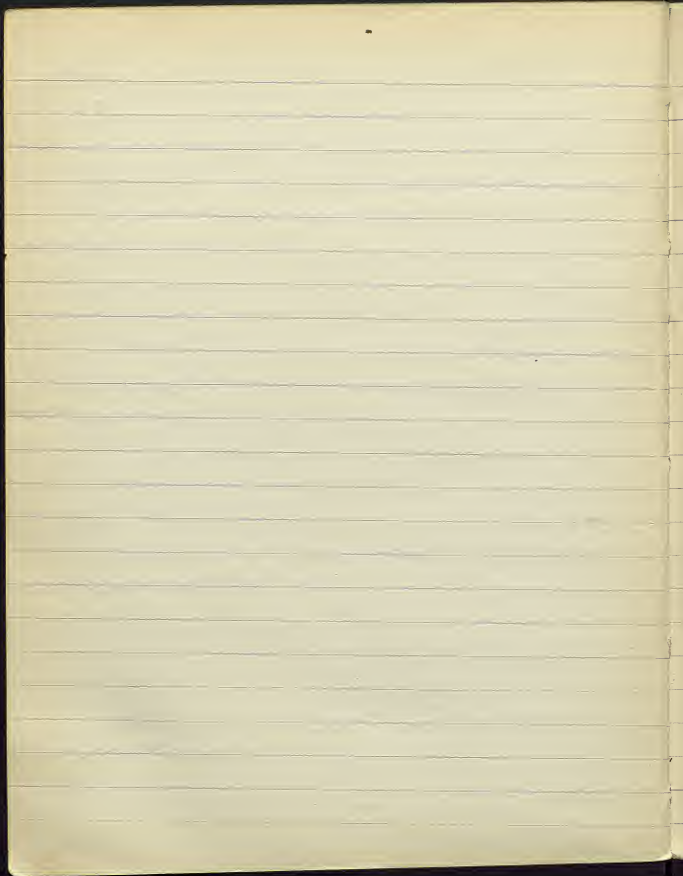

the question of the Hall being used by the Choral & Orchestral Society, on every Tuesday of next term must be left for the Hall Committee to decide.

The President said that he had received a complaint from the Beadle that owing to horseplay indulged in by some of the male students the glass door of the Hall had been broken. It was decided that those responsible must pay for the damage in accordance with the ruling on that point in the 'Mace Calendar'. It was further decided that notices to the effect that the apparatus in the Hall was not to be used during the lunch hour should be placed on the Students' Council notice board & in the M. C. R.

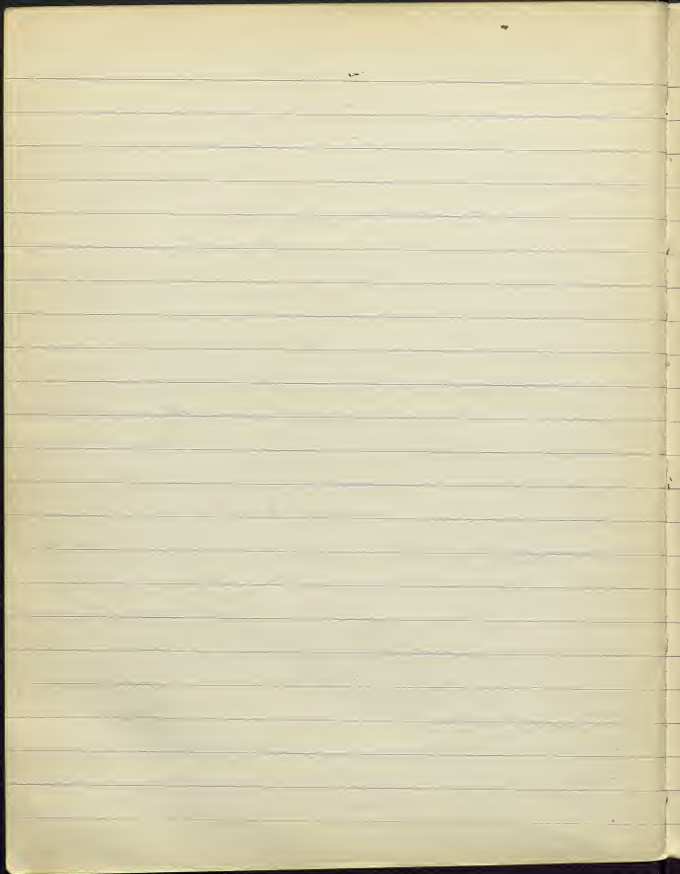

With this the meeting closed.

Emergency meeting of the Students Council  
held on Dec. 1<sup>st</sup> 1927. The President  
presided.

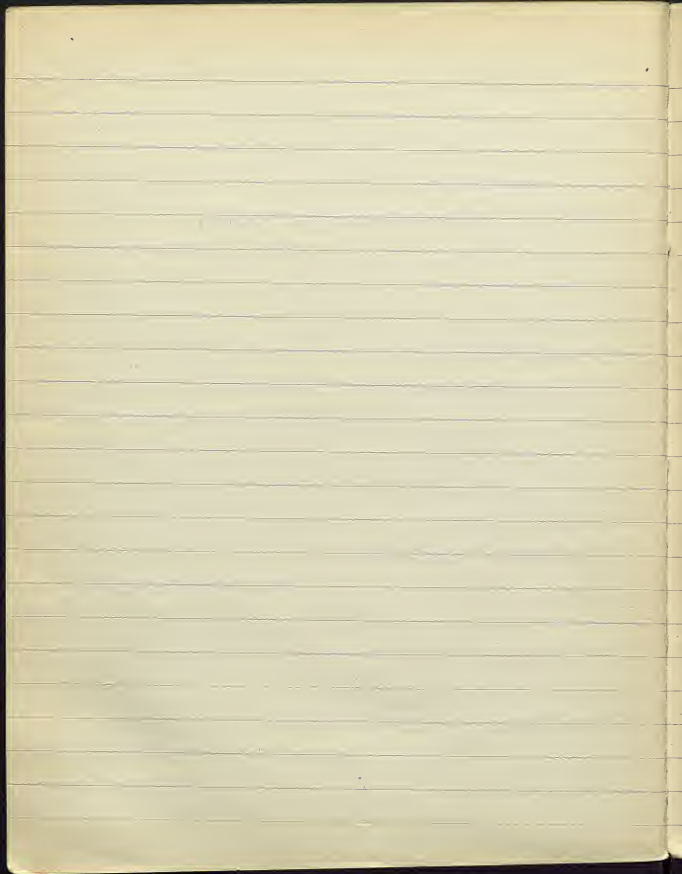

The President read a letter from his  
son, the student representative on the  
Grounds Committee in which he asked the  
Students' Council <sup>on behalf of the Club Secretaries</sup> if they could do anything  
to prevent the proposed dismissal of  
Groundsman Power. He stated that the  
Club Secretaries were satisfied with the  
work of Groundsman Power whom they  
had always found to be hardworking and  
attentive and asked that the Student  
Council should approach the Grounds  
Committee with a view to obtaining the  
retention of his services. Mr. Hensell said  
that he understood that deplorable state  
of the hockey pitch was not the fault of  
Groundsman Power. A discussion followed  
and the following motion was proposed  
by Mr. Bishop and seconded by Mr. Shaw  
"That the Students Council approach the

Grounds Committee asking for reasons for  
the proposed dismissal of Groundsman Law  
& urging that his services be retained as  
they have been wholly satisfactory in the  
past. Carried unanimously.  
With this the meeting closed.

Ordinary meeting of the Students' Council held on  
Dec<sup>r</sup> 1927. Those present were Bruce, Page -  
Wheeler - Fairbanks - Kirby - But - & Hodge &  
Messrs. Poore - Fullin - Daniel & Bishop.

The President was in the Chair. The President  
read clause 130 of the Constitution of the Students' Association's Committee.  
Re the letter which had been received from  
Mr Storey asking the Students' Council to  
approach the Grounds Committee with a view to  
obtaining the retention of the service of  
Groundsman Power. The President said  
that he had seen the Registrar who said  
the matter would receive serious consideration  
by the Grounds Committee.

It was brought to the notice of the Council  
that another window had been broken in  
the Hall & that the matter had not  
been reported & that chain had also  
been broken in the Hall owing to the rough  
treatment they received. It was decided  
that a notice should be posted on the  
S.C. notice board requesting those  
responsible for the broken window to  
report to the President.

The President then said that the £56 debt paid on the Common Court would be repaid for this session. It was proposed by Mr Bishop & seconded by Mr Daniel that £25 of the £56 be allocated to the A. H. Carried by 6 votes to 3.

The President then pointed out that £15 had been sent to the N. B. S. under the impression that that was the sub. due from the College under Scale 6. It appears that there was a error & that Scale 6 is on the basis of £6 for 100 students i.e. that the sub. due from the College was £18. Mr Bishop proposed & Mr Page seconded that a further £3 be sent to the N. B. S. in order to make the debt square up to the right amount.

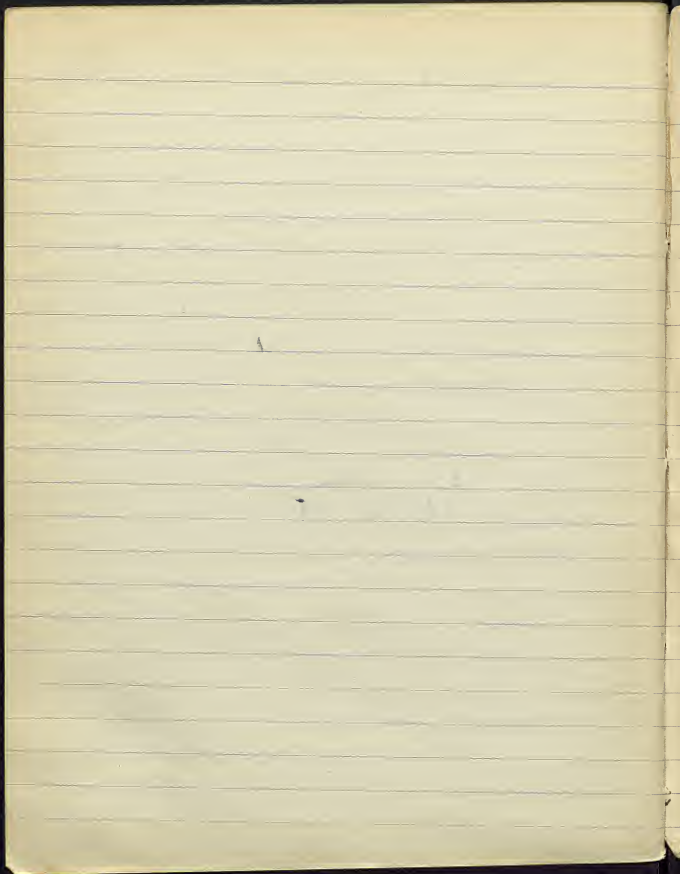

Mr Page proposed & Mr Daniel seconded that the President be asked to approach the Principal on the matter of the plans being repaired by the College. Carried.

It was decided that the res.

of the \$56 should not be allocated until next term.

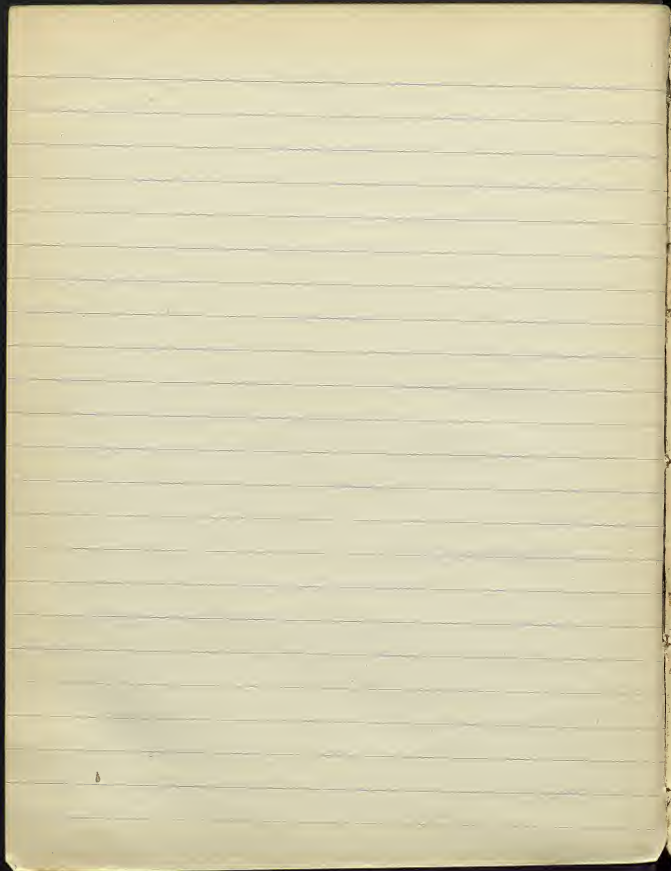

The President then referred to the matter of the Hall being booked for the use of the Chamber Music Club on a date when it was required by the Students. He said that he had seen the Principal about the matter & that he had pointed out that it was a College Hall & not only for the use of Students & that the fact that the Chamber Music Club Concerts were held in the College Hall was making the College the cultural centre for the town. He added that the Concerts now began earlier - at 5 p.m. & finished at 6.30 p.m. It was then proposed by Mr Daniel & Seconded by Mr Tully that the Students Council feel that Inter Hall entertainments should be encouraged since they tend to create a better standard of social life in the College & that since Saturday is the

only on on which students are free to come  
out there entertainers, the students must  
request that the Hall be reserved for the use  
of the students every Saturday in Lent  
that all applications for it are on this day  
of the week should pass through the hands  
of the Students' Council. Carried.

The President said that he had received an  
appeal from the Rotary Club asking the College  
to make a donation to the fund for providing  
Xmas cheer for poor children. After some discussion  
it was decided that it would be impossible  
for the College to send a donation.

In view of the fact that the members of the  
Canadian debating team who had been  
invited to come here on Feb 10<sup>th</sup> are unable to  
do so, Miss Page proposed & Mr Daniel  
seconded that the Lit & Deb. Society be asked  
to arrange a debate to take place on Feb 10<sup>th</sup>.  
This followed by a Dance on Feb 11<sup>th</sup> which  
with the permission of the Principal should  
take place at some suitable Hall in the  
town, & that representatives from all the

1/2 charge of admission be made, be held  
next term in and give 1.55.5 of the N. U. S.  
Carried.

The President then informed the meeting  
that he had seen Sir Mark Hunter re  
the Appeal & that the latter had said that  
it would help the Appeal considerably if a  
Committee of Students was formed for Appeal  
purposes. Mr. Rose proposed to Mr. Daniel  
seconded that that a meeting of the Students  
be called during one of the lunch hours  
this term & that Sir Mark Hunter be  
asked to address the Students on this  
occasion & that a Committee of Students  
be formed after the meeting. Carried.

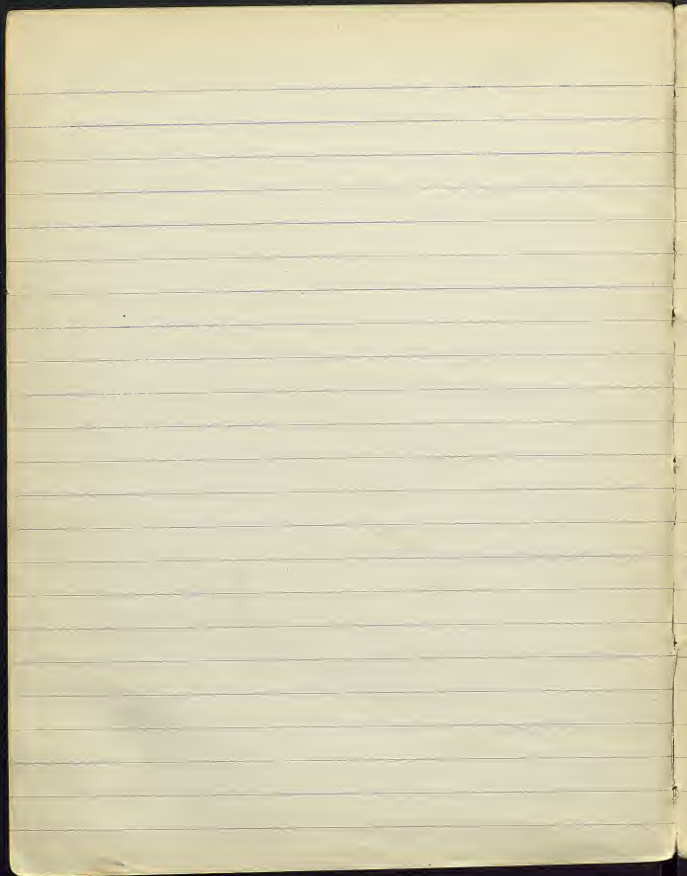

It was proposed by Mr. Fulton &  
seconded by Mr. Daniel that the  
Choral & Orchestral Society be asked  
to arrange a Carol Singing Party.  
Carried.

Mr. Lodge then suggested that some  
action should be passed on the Refectory  
in that good food is served in the canteen &  
the serving. Phrases are often said to  
the Cabbage with Mr. Lodge said she  
felt that some improvement could be  
effected if the managers were some one  
who had received a course in Domestic Science.  
She further pointed out that decent  
cafes could give decent lunches under  
decent conditions and with adequate  
service whereas in the Refectory as it is  
at present conditions are in many cases  
far from being desirably sanitary.

Mr. Lodge then proposed to Mr.  
Whitely seconded that the President be  
asked to write a letter to the Refectory  
Committee asking that the Students  
Council may meet them to discuss  
this matter at an early date next  
term. Carried.

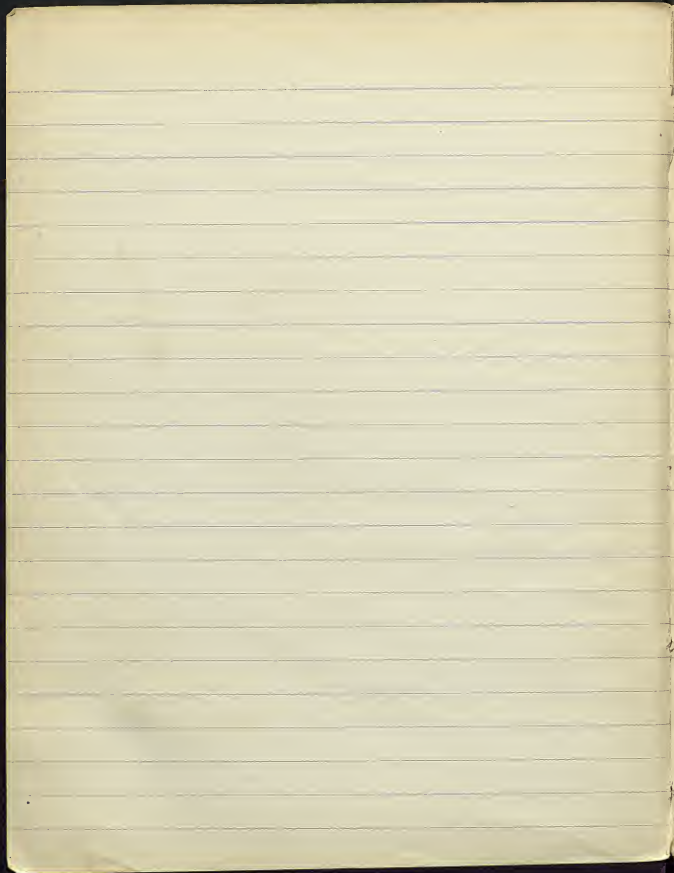

Mr. Daniel proposed to Mr.  
Dare seconded that the President be

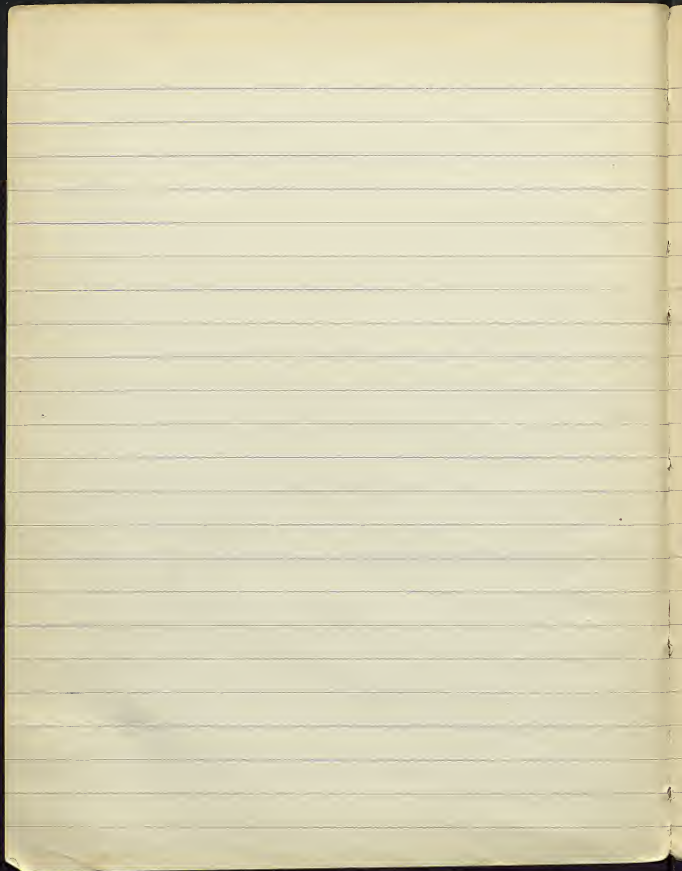

days of  
for all official S.C. meetings & that the  
College Union defray all expenses  
incurred thereby. Carried. The President  
then announced that any money paid  
out by members of the S.C. for this purpose  
during the term could be refunded.  
With this the meeting closed.

Messrs Bone, Fulton, Heasell, Shave & Daniel.  
The President was in the Chair. The  
minutes of the last meeting were read &  
passed. It was pointed out that  
the mascot case in the Hall had not been  
repaired & the Secretary was empowered to  
use her discretion as to the renovations  
needed. The President stated that  
the piano was being overhauled at  
a cost of £10.10 of which the College  
had undertaken to pay £3.10. After  
further inquiries last term, it was  
found that many people, particularly  
some from South Stoughton were quite  
satisfied with Refectory conditions, so  
the letter to the Refectory Committee was  
not sent. The meeting decided, however,  
to proceed with the matter; it was  
suggested that three members of the  
Council should meet the Refectory

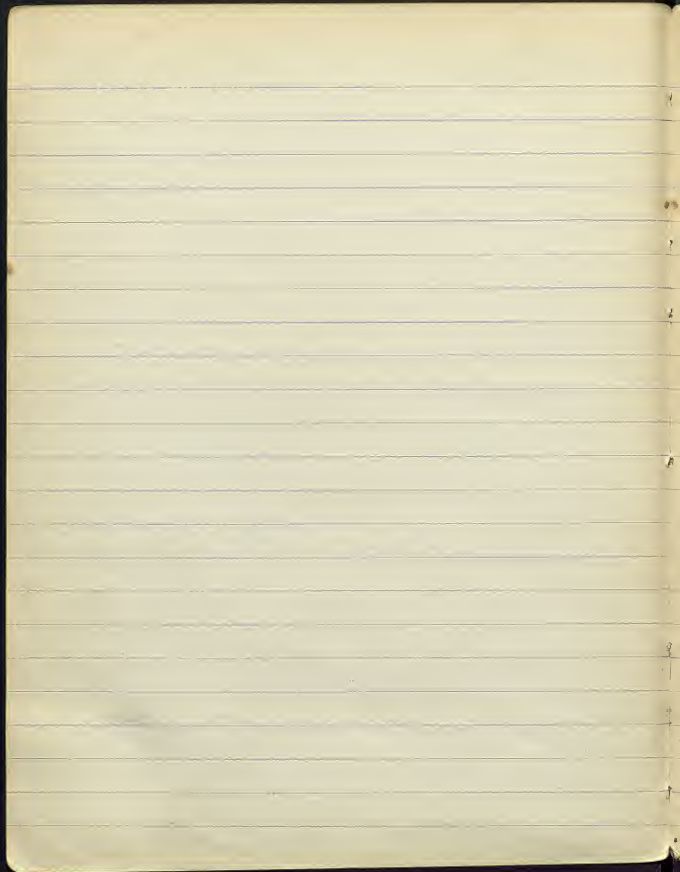

Committee when possible, but Mr. Fulton proposed Mr. Daniel seconded that the whole Council meet it. Passed by 7 votes to 4. The President announced that the result of last term's card singing was £21.7.9 asked that the letter except from the Hospital should be put on the notice board. He said that he had seen the Principal about the dance on Feb. 11th the Principal had refused to allow it to be held in the town, since we have a suitable hall of our own. With regard to the Debate dinner Mr. Daniel proposed that Mr. Hodge seconded that all hosts be invited. Carried. The President read Mr. Hodgson's memorandum on Rag Finance & Mr. Fulton proposed that Mr. Hodgson be thanked & told that the Council fully approves of the principles of both parts with the exception last. - also that no money be handed over to the hospital until all receipts from the Rag are ascertained. Seconded by Mr. Shaw carried. Mr. Fulton proposed

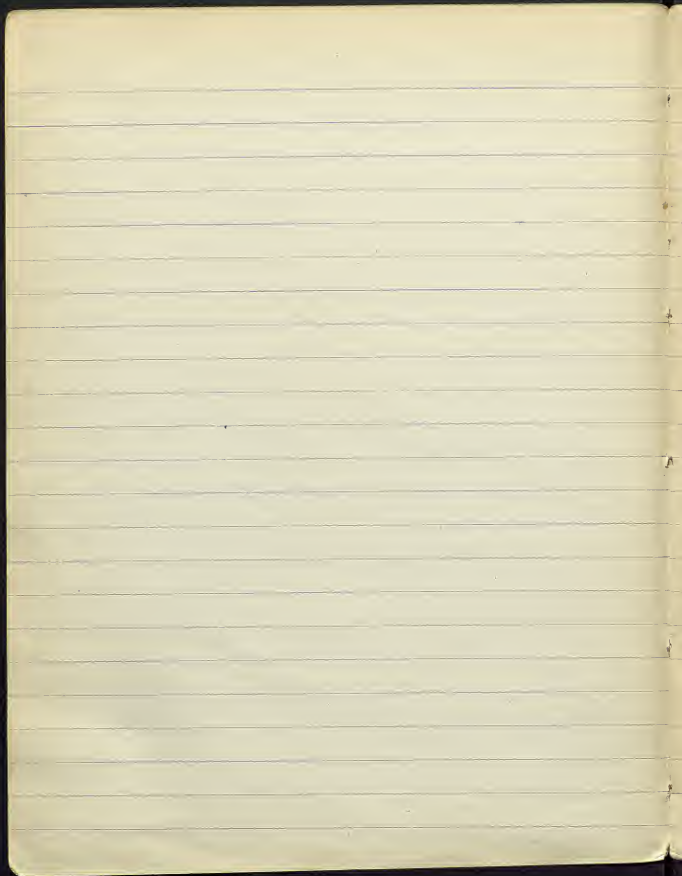

Mr Daniel seconded that £10 be held back out of the Rag receipts, with the consent of the Hospital, in order to form a permanent Rag etc. fund. With regard to the typewriter, the Secretary undertook to get estimates for repairs etc. and study the newspapers. Mr Fullen proposed that 3/6 be expended as subscription to Vox Studentium. After a lively discussion on the contents of the "University" the meeting closed.

An ordinary meeting of the Students' Council held on Monday, Jan. 30<sup>th</sup> 1928, at which those present were Misses Pape, Fairbanks, Kirby, Burt & Wheeler, & Messrs. Poore, Fulton, Bishop & Daniels. Miss Cawc was also present, representing the Lit. and Deb. Society. The President was in the Chair. The minutes of the last meeting were read and passed. With reference to the mascot case in the Hall, it was decided to leave the matter of retaining it to the College authorities. The Secretary was asked to obtain estimates for a good second-hand typewriter with a guarantee, as it was necessary to obtain one as soon as possible. The President reported having interviewed the Chairman of the Refectory Committee with regard to the complaints which had been made, and had received from him a further suggestion that another letter should be written inviting the Chairman and <sup>Secretary</sup> of the Refectory Committee to meet the Students' Council and consider the position. It was then proposed by Mr. Fulton, and seconded by Miss Burt, that a letter should be sent to the Secretary of the Refectory Committee inviting the <sup>three</sup> ~~two~~ officials named to the next meeting of the Students' Council.

A letter, bearing the signatures of a large number of the residents of South Sturham House, and

protesting against the curbing of week-end leave, was then read. Mr. Bishop pointed out that the ruling regarding week-end leave was made by Senate, and that in all probability it was nothing to do with The Warden of South Starcham, in which case the authority to be approached on the matter was the Secretary of the Senate. The following resolution was then proposed by Mr. Bishop and seconded by Mr. Daniel — That the Students' Council is in sympathy with the protest, and instructs the President to interview the competent authority to see what other arrangements could be made.

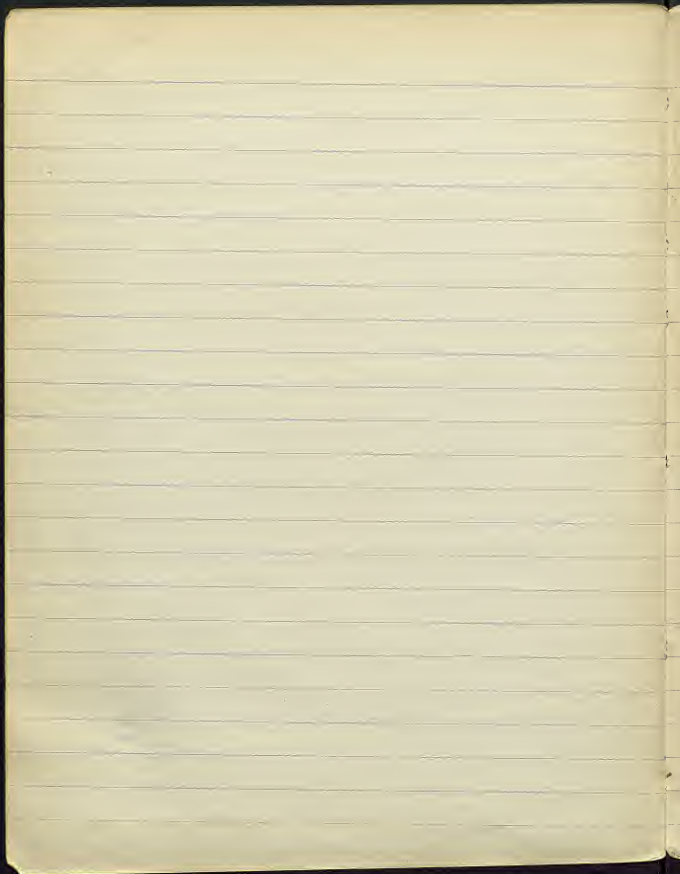

The next business was in connection with the Inter-Varsity Debate to be held on Feb. 10<sup>th</sup>. Owing to some misunderstanding it was found that the Hall had not been booked for this event, and that the S.O.H. had now engaged it for a dramatic performance. As the music studio was also booked for that evening, it was suggested that the only possible place, <sup>in which</sup> to hold the Debate was the library. The President agreed to interview the Registrar to obtain permission to use the library for that purpose. This was then outlined the scheme of arrangements for the entertainment of the delegates during the week-end Feb. 10<sup>th</sup>-12<sup>th</sup>.

With regard to the Union Dance on Feb. 11<sup>th</sup> it was stated that the Principal had granted permission for an extension until 12 o'clock. It now remained to obtain similar leave from the Wardens. It was proposed by Miss Fairbanker and seconded by Miss Weldon that Miss Page should interview Miss Aubrey with a view to obtaining permission for the women students. It was decided to invite the Bristol team, who were playing here on Feb. 11<sup>th</sup> to remain to the Dance, although it would be impossible to offer them hospitality for the week-end as well. The President stated that the Union Dance was to be arranged by the Students' Council in (co-op) conjunction with the Society Committee. The charge for the Dance was to be 2/6, the expense of the delegates to be borne by the College Union. It was decided to have a photograph taken, including delegates, hosts and members of the S.C.

Mr. Yulston enquired what had been done in connection with the questionnaires. Miss Page said that tables of statistics were being drawn up and that the business of collecting information was well in hand. She added that she had been acting on her own responsibility, and that she would be glad of help from members of the Council.

Revised Home.  
Feb 13/25.

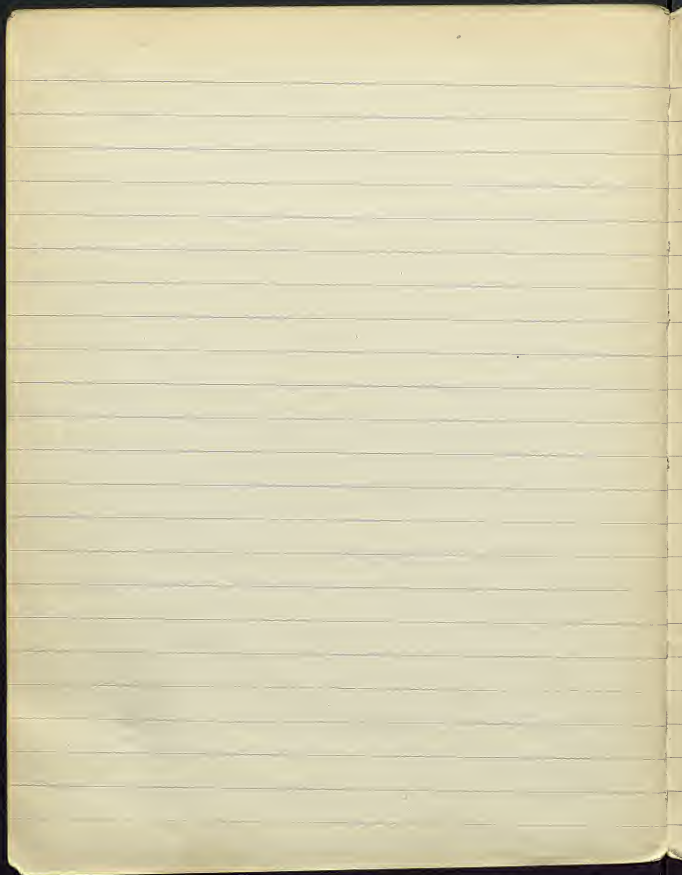

An ordinary meeting of the Students' Council was held on Monday, February 13<sup>th</sup>, those present being Misses Page, Kirby, Rust, Wheeler and Fairbankes, and Messrs. Poore, Fulton, Daniel & Gd. Shawe. The President was in the chair.

After the minutes of the previous meeting had been read and passed, business arising from them was discussed. It appeared that the mascot had been removed from the Hall, and enquiries had been made as to the possibilities of improving it. The secretary was instructed to negotiate for a new case for the mascot.

The secretary regretted that she had been unable to find any suitable quotations for a new typewriter, and it was decided that the sum to be expended should not exceed £6-10-0.

A note was read from the Refectory Committee regretting that their officers were unable to meet the Students' Council at this meeting [Feb. 13] and suggesting instead a lunch hour meeting in Professor Cook's room on Feb. 20. As several members of the Council would be unable to attend, it was

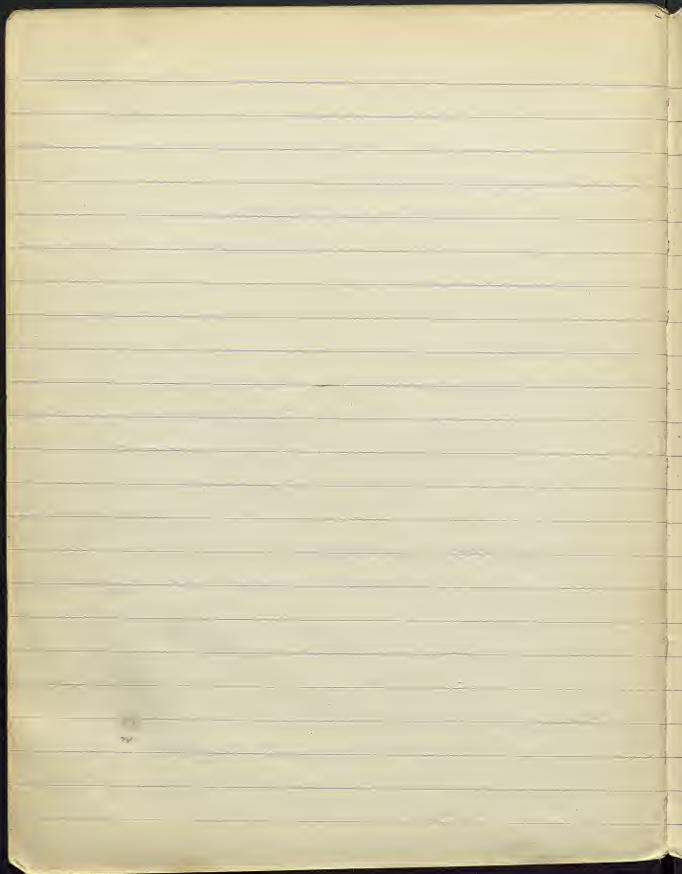

decided to postpone this meeting until a later date.

The President stated that the question that had arisen over week-end leave at South Storcham House had been held over until after the Debate. It was stated further that the House Committee had already tentatively approached the Warden. It was suggested that the Students' Council should write to the Warden, inquiring as to the change of rules at South Storcham, and stating that before taking any action, and in absence of definite rules of procedure, they wished to consult him.

The President then formally <sup>announced</sup> ~~confirmed~~ the granting of late leave by the Wardens for the Union Dance on Feb. 11<sup>th</sup>, and suggested that a letter be sent thanking Prof. Cook for the notes of the meeting of Students' Council and Wardens on Feb. 6<sup>th</sup>. Mr. Fulton proposed that these notes be fastened into the minute book with a brief explanation.

It was decided that the Halls Committee should meet on Thursday.

The President expressed the hope that Miss Page would receive assistance in her work of drawing up statistics from the questionnaires, and

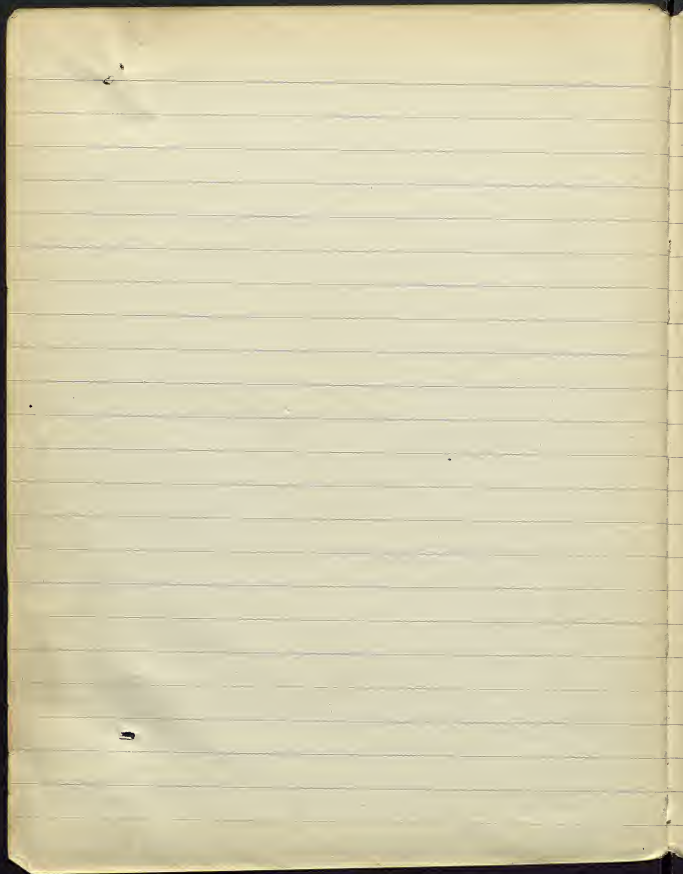

proposed that a vote of thanks be given to Misses Kirby, Judge and Caus for their work in connection with the Inter-Varsity Debate.

Mr Fulton proposed and Miss Kirby recorded that nominations for elections for next session should be in by May 15<sup>th</sup>, the elections taking place on May 14<sup>th</sup>.

It was stated that after the cross-country run with a Reading University team, a request had been sent from Wootton Bassett for a similar event to be held for a competing team to be sent by them. Mr Fulton proposed and Miss Page recorded that <sup>such a</sup> ~~the~~ team should be entertained here, and that the tea for the team on the return visit should be paid for, but that no concession could be made for railway fares for the return ~~frictions~~.

It was next suggested that on the occasions when members of the staff gave concerts in the music studio instead of the usual gramophone concerts, the hall should be closed as a matter of courtesy. This was carried [proposed by Miss Burd, recorded by Miss Page.

Memorandum to the President of the Students' Council.

The following notes may help you:-

Arising out of conference between Wardens  
and Students' Council, February 6th, 1928.

1. The Wardens reminded the Students' Council of the agreed method of procedure with regard to facilities of any kind, namely, that the approach in the first instance should be made by a written communication and not by a conversation which too often takes place in hurried and unseemly circumstances. Where the matter to be discussed affects domestic conditions in the Hostels, it is extremely desirable that the House Committee in the Hall should raise the matter with its Warden. The important thing is that before any official conference takes place between the Wardens and the Students' Council or between the Wardens and the Principal on such matters, there should have first been a simple and clear, short written request.
2. The Wardens propose to confer amongst themselves and consult all interested authorities with a view to drafting rules of procedure for the future settlement of matters as they arise. Just as the problem of "going down" at the end of term and of week-end leaves and similar problems should be amenable to simple rules of procedure. The Wardens will give these rules very careful consideration and in due course will submit them to Senate, but they will invite the officers of the Students' Council as well as the officers of their own House Committees to discuss them.
3. It is suggested that when the new Students' Council is elected at the close of the summer term it would be happy to arrange for a simple but ceremonial meeting between the Wardens and the new officers. At such a meeting, the plans for the ensuing session could be informally discussed, and the Wardens would in similar manner like to invite the Students' Council at the opening of the session. This suggestion is thrown out for your consideration.

4. If the Students' Council could contrive to issue a simple, monthly list of fixtures of all kinds it would prove to be very helpful, but in fact, I would develop this suggestion. We very greatly need a sort of clearing house for all such fixtures throughout the College and if Secretaries of various Societies, etc., could bring at one largish meeting their proposals for the following session, I imagine it would be possible to fight clashes, and to adjust the claims of various Societies re the Hall, etc. Would it be possible to have a Fixtures Committee with the Registrar, so as to co-ordinate such functions. This, however, would not touch the domestic question, of course. It is mainly a question of trying to avoid too many events either on one and the same day or in one and the same week.

The meeting closed with an appeal by the President for articles for the Rag magazine.

On Monday February 7<sup>th</sup> the Students' Council invited the Wardens of the Halls to tea at 4:30 p.m. in the Women's Common Room, to discuss further the question of late leave for the Union Dance on Feb. 11<sup>th</sup>. The Wardens of the Residential Halls were present, and all members of the Students' Council.

The matter was fully considered, and many important points brought up which before had not been dealt with, so that the Wardens found that a final conference between themselves was necessary before ~~they~~ giving their decision. Other subjects concerning College and Hostel affairs also came into discussion. Professor Cook kindly sent the President of the Students' Council the inserted memorandum, giving an account of the conversation of this meeting.

The final decision of the Wardens, giving an extension of leave till midnight on Saturday Feb. 11<sup>th</sup> to all students in Halls attending the Union Dance was published in the Halls on Feb. 9<sup>th</sup>.
